manufacturer of high-quality outdoor fitness equipment designed for teens through active aging adults. The entire line of fitness products provides outstanding fitness benefits to all people of various fitness levels to utilize on their own time and at their own pace, while socializing and enjoying the great outdoors.

SITE FURNISHINGS

A division of Xccent, Inc., we combine our years of experience with quality workmanship.

A part of the Made in the USA tradition. Our finished products, using US origin manufacturers, are made at our facility in Minnesota.

As responsible citizens of our planet, we are committed to re-evaluating our manufacturing processes which reduce energy consumption.

We continues to introduce new products, we encourage you to dream. Inspired by your imagination and vision, we transform concepts into reality.

UNIQUE, DISTINCTIVE PLAYGROUNDS

Plastisol Coating & Powder Coat Finishes

Long lasting benefits of our exclusive Powder and Plastisol Systems include:

- A wide variety of colors.
- Corrosion prevention.
- Resistance to bacterial and fungal growth.
- Supreme protection against environmental elements (including UV).
- Compliance with worldwide regulations.
- Many years of dynamic use with minimal maintenance required.

Experience Play on New Levels

We believe it's our duty to challenge play experience every day, and we are proud to be the front-runners on motion-based equipment. Everyone at Xccent Play remembers what it was like to be a kid and strives to create new play experiences for the new generations. We have invested our resources into producing high-quality products with the best technology and most efficient processes, thereby ensuring your equipment is affordable. Our field representatives are thoughtfully chosen; ensuring your local representative is there to understand your needs and respond accordingly. You are our customer and we invite you to experience play on a whole new level!

Let's Do Something Different!

Inspired by your imagination and vision, Xccent can bring concepts into reality. We can turn simple playgrounds into enchanting destination attractions. Starting with an original vision to the finishing touches, our team of designers will outline a clear plan of action to turn your dreams and ideas into fun-filled reality. Our custom play areas will inspire kid's imaginations and invite them into the adventure!

WHAT'S NEW...

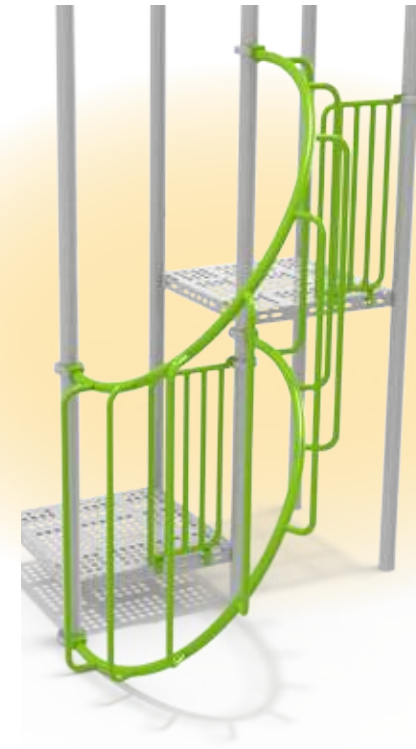

Cliff Climber

- Now offering both vertical and inclined options to scale up or down
- Available deck heights from 24" to 72"

Inclined Ladder Climber

- New ladder design eliminates extra concrete footings
- Available deck heights from 32" to 72"

Wrap Around Climber

- Another new climber which eliminates extra concrete footings
- Maximum deck height: 48"

Vertical Wave Bridge

- Challenging deck to deck event offering kids a chance to cross on a wavy shaped vertical bridge
- Connects decks of equal height
- Available deck heights from 0" to 48"

Warp Climber

- Exciting way to travel from one deck to the next
- Connects decks with a 48" height difference
- Maximum deck height: 60" (5-12 ages only)

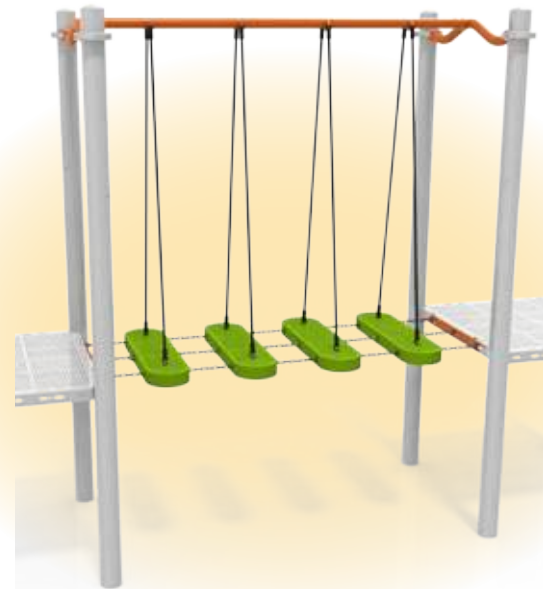

Straight Footbridge

- Follow the footsteps from one deck to the next
- Also available with an arched walkway
- Connects decks of equal height
- Maximum deck height: 48"

Cascade Climber

- Friends can climb the Cascade on either side and meet at the top
- Available deck heights from 64" to 72"

Straight Trestle Bridge

- Take the adventurous route across the Trestle Bridge
- Also available as an Inclined Trestle Bridge
- Connects decks of equal height or with a 24" height difference
- Maximum deck height: 48"

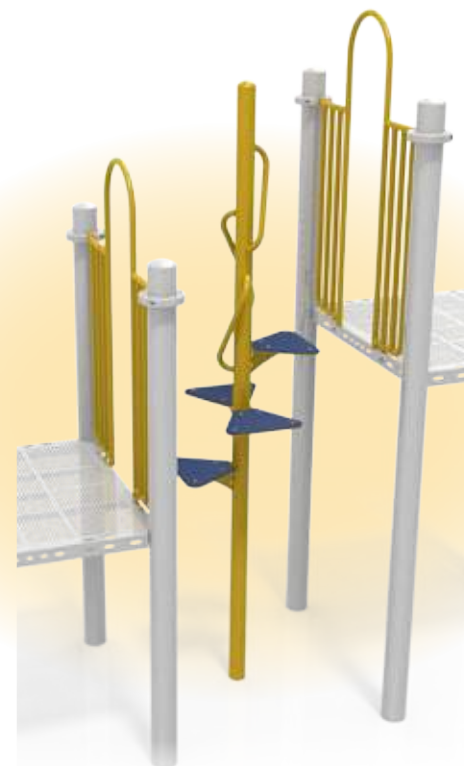

Concave Climber

- New wide option to climb with your friends
- Available deck heights from 44" to 52"

Wing Walker Climber

- Try taking the Wing Walker steps up the next level on this fun, new climber
- Connects decks with a 24" height difference
- Maximum deck height: 48"

Convex Climber

- New extra double wide option to climb with even more friends
- Available deck heights from 44" to 52"

Revolution Climber

- Climb your way to the top. Maybe take the other side back to the ground
- Can be used independently or in series with other Revolution Climbers
- Maximum Height: 72"

Creatable

- This below deck table provides a great space to visit or create something new with your friends
- Ground level only
- Minimum deck height: 60"

Switchback Climber

- Kids will be rotating in all directions on this crazy climber
- Another new climber which eliminates extra concrete footings
- Available deck heights from 48" to 72"

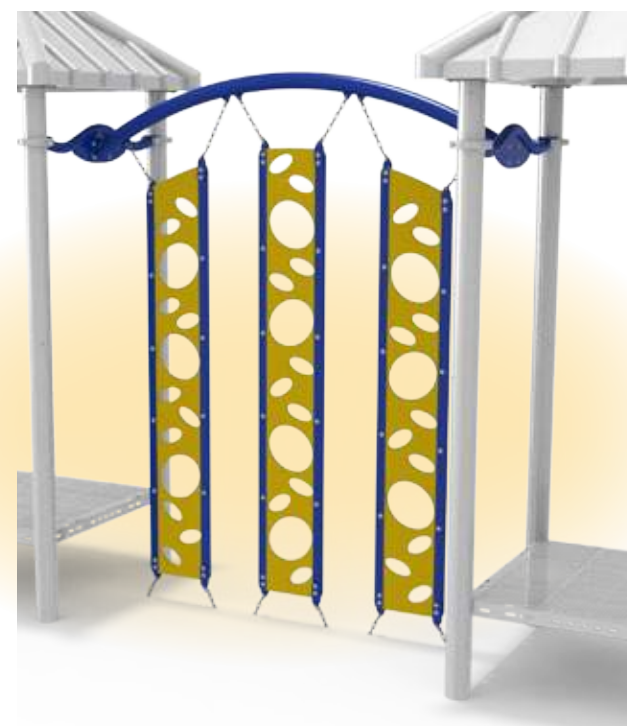

Steady Hand Challenge

- Race your friends with this challenging ground level event
- Try to slide the hand ring across the pipe without touching the sides
- Have fun creating new and different games
- Ground level only

Warrior Walls

- Work your way across the moving Warrior Walls
- Available deck heights from 0" to 18"

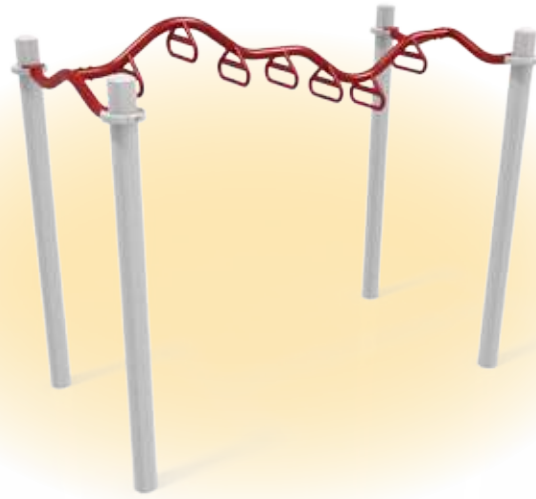

Step Around Climber

- Take the scenic route up to the next deck
- Connects to adjacent decks with a 24" height difference
- Maximum deck height: 48" (5-12 ages)

Single Rail Wave Bar with Rings

- Matches the contours of the new Vertical Wave Bridge and our X-Wave 2
- Also available with Trapeze Rings

Cottage Roof

- Give your play structure a new look with this playful roof
- Available above elevated decks or ground level playhouses

Kaleidoscope Overhead Climber

- A new design for overhead challenges
- Available to link our different play systems together

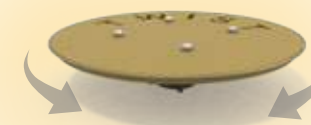

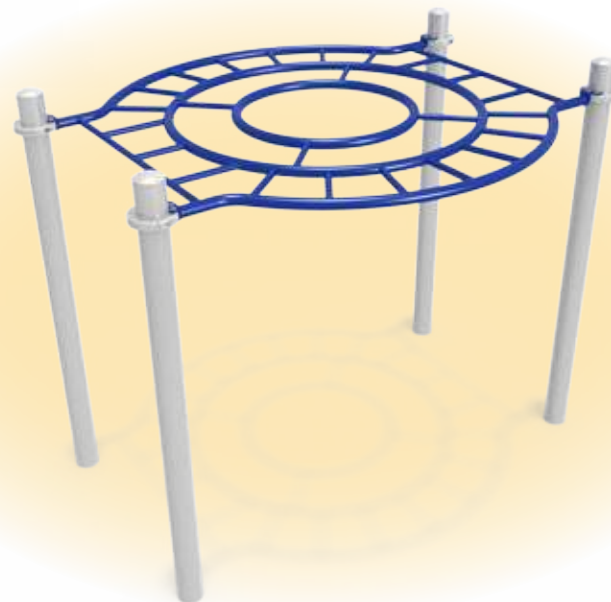

Spin Topper

- We put a new spin into our Post Toppers
- Available in different shapes, Spin Toppers will rotate in the breeze

Circular Overhead Ladder

- So many routes and options to attempt
- Challenge your friends to follow you

Twist

- Twist and rotate back and forth on this new ground level event
- Kids will be exercising their core and improving their balance

CLASSIX

Traditional post and deck systems have been a staple in the playground industry for years. Thanks to a hybrid design and Xccent's exclusive X-Connect clamp, **our Classix system offers all the time-tested benefits of post and deck** with the added **ease of installation**. Don't forget to check out all of the cool play events available on a Classix playground!

Features

- 5" O.D. post design
- Direct connect - fewer clamps
- Maximum customization
- Unique, always evolving play events
- Elevated and ground level accessible options
- 48" decks = more play

FUSION EC

Studies show when children are allowed to play, the self confidence, muscle development, and social skills they gain typically result in better socially-adjusted adults. **The Fusion EC system provides play components specifically designed for the development of small children.** Its modern arched design provides a great complement to any play environment.

Features

- Modern arched design
- Great compliment to the Fusion
- Play components designed for the development of small children
- Dozens of possible system combinations
- All events available as stand-alone items, starting on page 89.
- Lower fall heights
- Ideal for ages 2-5

LET'S PLAY

The Let's Play System introduces **affordable and compact playground designs** for your big adventures! This Made-in-the-USA product provides a unique appearance for your play area and an engaging experience for your children. The new roof, deck, and climber design makes this easy to install system a must for your next project. And it's solid-steel design (with limited plastic) ensures it will be easy to maintain for its long life!

Features:

- 2.375" O.D. post design
- Affordable, compact systems
- Unique appearance
- Engaging experience for children
- Solid steel design for long life
- Available in 3 color combinations

FREESTANDING EVENTS

Want to add even more excitement to your new or existing play area?
Xccent Play! has created a new level of spinning, rocking, bouncing and climbing that children will never forget. Many events are designed with our exclusive Playmotion Technology giving kids a thrill they will want to experience again and again!

Midwest Recreation Products
(866) 830-9196 funandrecreation.com

Millennium Swing

This basket style swing allows multiple children to experience the thrill of speed and movement while working together to stay in motion.

Basket seat available in Orange or Green.

Max. Fall Height 96" (2.44m)

Min. Use Zone 31'4" x 24' (9.55m x 7.32m)

52549 INGROUND MOUNT

Arch Swing

3.5" or 5" OD framework
One thing never changes: kids and adults love swings! Be sure to complete your play area with an Arch Swing.

Max. Fall Height 96" (2.44m)

Min. Use Zone 24'4" x 24'
(7.42m x 7.32m)

- Available with your choice of No-Wrap or Standard Swing Hanger.

Tire Swing

The Tire Swing is the perfect team swing for up to 3 users. The rotating swivel allows the tire not only to swing back and forth, but it also spins while moving.

Max. Fall Height 96" (2.44m)

Min. Use Zone 28'8" x 22'8"
(8.74m x 6.91m)

Single Post Swing

One thing never changes: kids and adults love swings! Be sure to complete your play area with a Single Post Swing.

Max. Fall Height 96" (2.44m)

Min. Use Zone 23'2" x 24' (7.06m x 7.32m)

- Available with your choice of No-Wrap or Standard Swing Hanger.

T-Swing

The T-Swing is ideal for smaller spaces. It includes (2) wraparound infant seats, hangers, chains, and hardware.

Max. Fall Height 84" (2.13m)

Min. Use Zone 21'3" x 24'
(6.48m x 7.32m)

- Available with your choice of No-Wrap or Standard Swing Hanger.

Swing Seats

A. Wraparound Infant Seat

Colors: Black, Blue, Green, Red, Yellow

B. Belt Seat

Colors: Black, Blue, Green, Red, Tan, Yellow

C. ADA Chair

Colors: Black, Blue, Green, Red, Tan, Yellow

- Available in two sizes; 2-5 years & 5-12 years

- Infant and Belt Seats are available with your choice of No-Wrap or Standard Swing Hanger.

Graviton Spinner

The ultimate G-force playground! The slight tilt creates motion which keeps kids spinning.

Ages 5-12
Max. Fall Height 72" (1.83m)
Min. Use Zone 17'5" x 17'5"
(5.31m x 5.31m)
Capacity 5

41772 INGROUND MOUNT ONLY

X-Wave 2

This entire event moves in wave-like motions, alternating on each pivot point. Includes integrated hand holds for those wanting additional stability. Absolutely NO pinch points.

Ages 5-12
Max. Fall Height 42" (1.07m)
Min. Use Zone 35'6" x 13'3"
(10.82m x 4.04m)
Capacity 20

50219 INGROUND MOUNT
55966 SURFACE MOUNT

Galaxy Spinner

The Galaxy Spinner provides a unique spinning motion as the upper frame rotates and each handle rotates independently. Up to seven children can experience a double spin!

Ages 5-12
Max. Fall Height 82" (2.08m)
Min. Use Zone 19'7" x 19'7" (5.97m x 5.97m)
Capacity 7

46601 INGROUND MOUNT ONLY

Atom Climber

This climbing challenge adds a distinctive look to your playground! The suspended "nucleus" center attracts kids and expands their climbing adventure.

Ages 5-12
Max. Fall Height 88" (2.24m)
Min. Use Zone 23'3" x 20'3" (7.09m x 2.20m)
Capacity 19

41660 INGROUND MOUNT
52045 SURFACE MOUNT

F-4 Quad Spinner

Each spinner on the F-4 rotates independently, so kids can play alone or in conjunction; shifting body weight to spin faster.

Ages 5-12
Max. Fall Height 12" (0.30m)
Min. Use Zone 21'1" x 21'1" (6.43m x 6.43m)
Capacity 4

51929 INGROUND MOUNT
51928 SURFACE MOUNT

Sidewinder Climber

Kids spiral their way from the ground to the top and back down again. It's a great social event too!

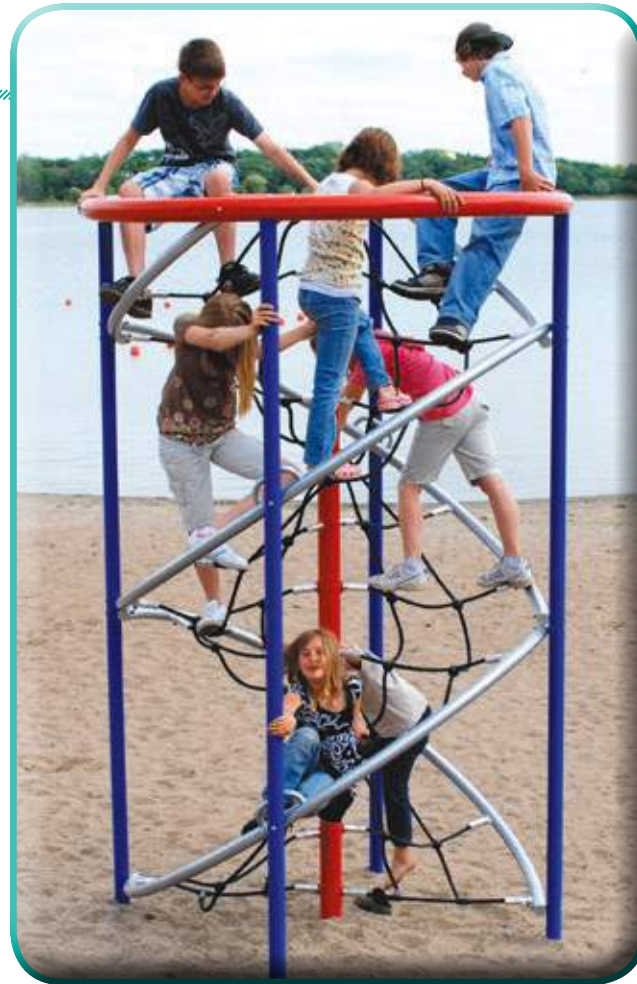

Ages 5-12

Max. Fall Height 132" (3.43m)

Min. Use Zone 18'8" x 18'8"
(5.69m x 5.69m)

Capacity 12

41575 INGROUND MOUNT ONLY

Zoom Line

Add an exhilarating zip line experience to your playground! Includes deck and ramp take off platform. Overall length can vary from 40' to 90' to fit a variety of spaces.

Ages 5-12

Max. Fall Height 60" (1.52m)

Min. Use Zone 55'8" x 27'6" (16.97m x 8.23m)
to 105'8" x 27'6" (32.19m x 8.23m)

Capacity 6

52490 INGROUND MOUNT ONLY

(X-Beam 5 Section shown)

X-Beam Section

How about a floating balance beam to challenge your coordination! Playmotion technology allows the X-Beam to move side-to-side and up & down. Absolutely NO pinch points.

Ages 5-12

Max. Fall Height 18" (0.46m)

Min. Use Zone

X-Beam 3 Section: 23'-6" x 14'-6" (7.16m x 4.42m)

X-Beam 5 Section: 30'-1" x 18'-8" (9.17m x 5.69m)

Capacity X-Beam 3 Section: 9 X-Beam 5 Section: 15

4354806 4'x1' TIMBER W/ SPIKE

COMPONENTS

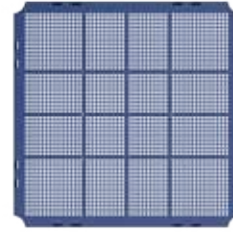

The component section uses key codes, shown below, to help identify which components are available for each playground series. Some components are only available at certain heights and these exceptions are noted within the description.

Component Key:

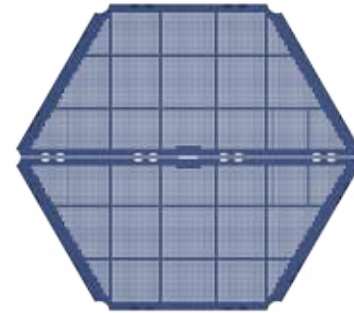

- F** Fusion
- T** Triax
- C** Classix
- M** Molecule
- G** Go Play

Decks

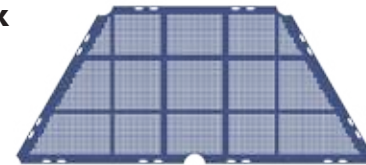

Square

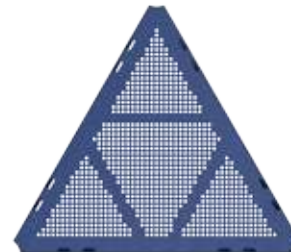

Hex

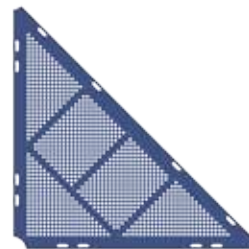

Half-Hex

Trianglar

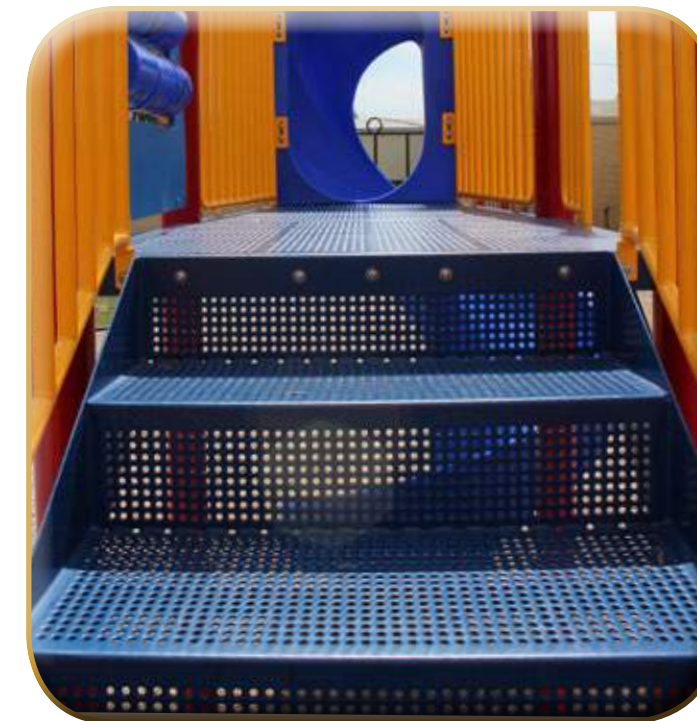

Half-Square

ADA Transfer Station

- Transfer Station is handicap/ wheelchair accessible, allowing children to access other events on the play system

ADA Deck to Deck Stairs

- 16" - 56" heights
- Creates additional accessible opportunities for users
- Includes handrails

Midwest Recreation Products
(866) 830-9196 funandrecreation.com

Bridges

Incline & Straight Bridge

- 4' & 8" lengths
- Available up to 96" high

ADA Access Ramp

- 12' lengths
- Access ramp has a 1:12 incline ratio
- Available up to 96" high

Playmotion Overpass Bridge

- 8' length only
- Uses Playmotion hinges connecting oval shaped platforms creating a fun path from deck to deck
- Deck heights of 48" or less

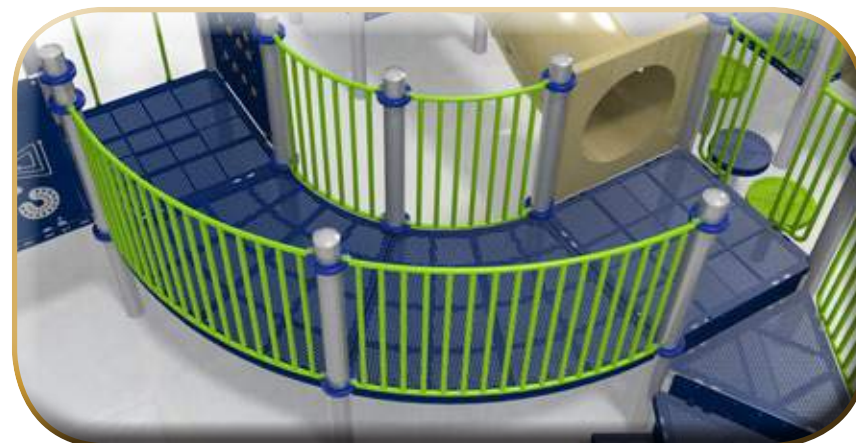

Arch Bridge

- 4' & 8" lengths
- Available up to 96" high

Curved Bridge

- Adds unique look to Classix playgrounds
- Available up to 96" high
- Full 48" wide

Rope Passage

- 4' & 8' lengths
- UV stabilized, high tenacity 16mm steel-reinforced rope
- A challenging path from one deck to the next
- Maximum deck height: 48"

Climbers

Spline Climber

- For 56"-60" deck heights only
- Climb up using the molded polyurethane handles or swing from the under arch tear drop handles

Snake Climber

- 48"-72" heights
- Steps change in direction as the climber curves

Arch Rung Climber

- 24"-96" heights
- Sturdy steel pipe construction
- Inverted arch design allows for an easy climb to the platform

Rainbow Climber

- 40"-72" heights
- Twisted, heavy gauge steel with a powder coated finish
- The shifting axis of this climber provides extra challenge!

Rope Ramp

- 32"-92" heights
- A climbing event mixing rope climbing and a rock ramp

Stepping Stone Climber

- 24"-40" heights
- Provides a circuit to functionally link play components

Midwest Recreation Products
(866) 830-9196 funandrecreation.com

Rope Ladder

- 32"-96" decks
- A challenging climb to the top
- UV stabilized, high tenacity 16mm steel-reinforced rope

Fireman's Pole

- 32"-72" heights
- Kids can slide down or climb up the steel pole for a more challenging experience

Arch Up Climber

- Available at 40"-48" heights
- Genuine rock climbing experience with textured hand holds for better grip

Web Climber

- Available in 32"-72" heights
- Edges of climber change in distance and depth for a more challenging climb, while the center path has consistent rungs for younger travelers

Spiral Leaf Climber

- Available in 32"-72" heights
- Step and spin your way to the deck

Bedrock Climber

- Available in 40"-48" heights
- Classic rotomolded climber allows for a safe climb

Midwest Recreation Products
(866) 830-9196 funandrecreation.com

Super Loop Climber

- Available in 36"-96" heights
- Multi-directional loops make for a challenging climbing experience!

Disc Climber

- 24"-72" heights
- Allows for active climbing or a place to rest and socialize
- Multiple steel stepping or sitting plates create a fun and physically challenging climbing path

Rock Ramp

- Available in 28"-72" heights
- Fun way to gain deck access with rock hand holds for firm grip

Vertical Ladder Climber

- 36" & 48" heights
- Economical and efficient climber

Double-Up Climber

- Available for 48" height
- Unique climber uses combination of cargo net and steel vertical climber for two ways to climb

Half Loop Climber

- 36"-60" heights
- Use vertical loops to climb

Midwest Recreation Products
(866) 830-9196 funandrecreation.com

Inclined Under Rung

- Fun deck-to-deck climber changes 24" in elevation

Cargo Net

- Durable climber made with UV stabilized, high tenacity 16mm steel reinforced rope

Mountain Climber

- Available in 40"-72" heights
- Offers climbing options from deck to deck and ground to deck using UV stabilized, high tenacity 16mm steel-reinforced rope

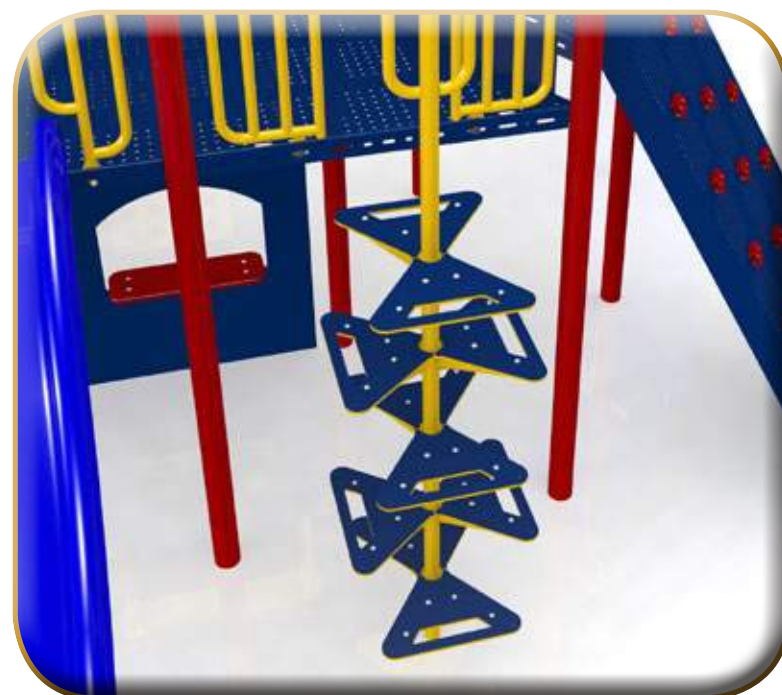

Log Stepper

- Unique balancing activity with textured coating for improved grip

Bow-Tie Climber

- 36"-60" heights
- Use vertical loops to climb

Clear Rock Wall

- First see-through rock wall in the playground industry!
- Made with super tough polycarbonate plastic, provides clear sight-lines
- Optional standalone play with the Clear Wedge Wall

Midwest Recreation Products
 (866) 830-9196 funandrecreation.com

SITE FURNISHINGS

Our origins began in the 1980's as a designer and supplier of commercial site furnishings for the parks and recreation industry. A division of Xccent, Inc., we combine our years of experience with quality workmanship and create site furnishings for every personality, environment, and occasion. All products are expertly crafted, incredibly durable, and friendly for every budget.

Manufacturing:

Xccent Site Furnishings is proud to be part of the Made in the USA tradition. Our finished products, using US origin manufacturers, are made at our facility in Minnesota. Many US based workers and businesses contribute to the creation of our furnishings.

Sustaining:

As responsible citizens of our planet, Xccent Site Furnishings is environmentally committed to re-evaluating our manufacturing processes which reduce energy consumption. In addition, we are focusing on waste reduction and utilization of materials with recycled content in our steel seats & frames, our packaging, and introducing recycled plastic into our collection of products.

Continuing:

As Xccent Site Furnishings continues to introduce new products, we encourage you to dream. Inspired by your imagination and vision, Xccent Site Furnishings transforms concepts into reality. We will collaboratively design and create unique and timeless furnishings to personalize your outdoor environments. Please contact us or one of our representatives and we'll get started.

FIRST AVENUE COLLECTION

BENCH: 8', Surface Mount, Hunter Green Frame, Hunter Green Seats

WASTE CONTAINER: Black Pedestal Surface Mount, Lime Container and Lid

BENCH: 6', Surface Mount, Black Frame, Red Seat

BENCH: 8', Without Back, Surface Mount, Black Frame, Yellow Seats

First Avenue Benches

The First Avenue Collection is the perfect combination of contour and comfort. The rolled formed steel with its rounded edges and arm rests make this bench a favorite for any setting. The seat and back are covered with our super durable plastisol coating providing a low maintenance, rust/corrosion resistant finish. The steel framework is finished with our beautiful yet corrosion and fade resistant powder coating.

- Frame Finish done in powder coating
- Seat/Back done in plastisol coating
- Available Lengths: 6' and 8' (w/center armrest)
- Available with or without back

First Avenue Waste Containers

The First Avenue Collection is also available with matching waste containers.

- Plastisol finish
- Optional 32 gallon liner
- Lid Option:
 - Round Steel Low Profile
 - Round Plastic Dome with Door
 - Round Plastic Low Profile with Door
 - Round Plastic Low Profile

PARK COLLECTION

WASTE CONTAINER: Portable Mount, Yellow Container and Lid

PICNIC TABLE: 4', Portable/Surface Mount, Black Frame, Tan Top and Seats

BENCH: 6', Surface Mount, Brown Portable Frames, Brown Seat

PICNIC TABLE: 8', Inground Mount, Black Frame, Brown Seats

Park Benches & Tables

The Park Collection offers a traditional wood slat appearance (without the maintenance of wood). The seats and top are constructed of heavy duty steel and covered with our super durable plastisol coating. This superior coating provides a low maintenance, rust/corrosion resistant finish.

Bench and Table Available Options:

- Frame Finish done in powder coating or plastisol coating
- Bench Lengths: 6' or 8'
- Available with or without back
- Seat/Back/Table tops done in plastisol coating
- Available Table Shapes: Rectangle, Square, ADA
- Available Table Lengths: 6', 8', 44" Square
- All tables and benches are available in inground, surface, or portable mount

BENCH: 6', Without Back, Surface Mount, Brown Portable Frames, Brown Seat

Park Waste Containers

- Plastisol finish
- Optional 32 gallon liner
- Lid Option:
 - Arched Steel Bonnet Top
 - Square Plastic Dome with Door
 - Square Plastic Low Profile

Classic Benches & Tables

The Classic Collection provides a simple, yet inviting perforated design with rounded edges in its full line of benches, tables and waste containers. The top, seats, backs and container are constructed of heavy duty perforated steel and covered with our super durable plastisol. This superior coating provides a low maintenance, rust/corrosion resistant finish. The Classic Collection is ideal for almost any setting.

Bench and Table Available Options:

- Frame Finish done in powder coating or plastisol coating
- Bench Lengths: 6' or 8'
- Available with or without back
- Seat/Back/Table tops done in plastisol coating
- Available Table Shapes: Rectangle, Square, ADA
- Available Table Lengths: 6', 8', 44" Square
- All tables and benches are available in inground, surface, or portable mount

WASTE CONTAINER: Portable Mount, Blue Container and Lid

Classic Waste Containers

The Classic Collection is also available with matching waste containers.

- Plastisol finish
- Optional 32 gallon liner
- Lid Option:
 - Round Steel Low Profile
 - Round Plastic Dome with Door
 - Round Plastic Low Profile with Door
 - Round Plastic Low Profile

BENCH: 6', Inground Mount, Red Frame, Blue Seat

WARRANTY/TERMS & CONDITIONS

QUOTATIONS: Contact Xccent Play! for current pricing. All quotations are firm for 30 days. Xccent Play! reserves the right to adjust pricing and freight costs to reflect market fluctuations. Unless noted, prices do not include delivery and installation charges.

SHIPPING AND HANDLING: All Xccent Play! product are shipped FOB Factory. Title and risk of loss to all goods sold by Xccent Play! transfer at this shipping point. Weights shown are approximate and may vary. Freight and handling charges are additional and are not included in the price of the equipment (unless otherwise noted). Transit time is dependent upon your location. Most products are heavy and delivered on large pallets. Equipment (such as a forklift) will be required to unload the shipment.

SHIPMENT LOSS OR DAMAGE CLAIMS: Visible or concealed damage during the shipment of product is the freight carrier's responsibility. A signed Bill of Lading is Xccent Play!'s receipt from the freight carrier that the shipment was complete and arrived in good condition. Before signing, shipments must be inspected immediately and visible damage must be indicated on the freight carrier's delivery receipt. Loss or damage claims must be filed within 10 days of receipt of shipment. Failure to note any damage or discrepancies on the Bill

LIMITED WARRANTY: Xccent Play! warrants its products to the original customer to be free from structural failure due to defect in materials or workmanship during normal use and installation in accordance with our published specifications. This warranty will commence on the date of the Xccent Play! invoice and terminate at the end of the period stated below.

This Warranty is valid ONLY if the products are installed properly and in conformance of the specifications, installation guides, Xccent Play! design layout, and properly maintained in accordance with the maintenance schedule provided within the installation instructions.

Xccent Play! reserves the right to accept or reject any claim in whole or in part. Xccent Play! will not accept the return of any product without prior written approval.

WARRANTY EXCLUSIONS: This Warranty does not cover: cosmetic defects, such as scratches, dents, marring, or fading; damage due to incorrect installation, vandalism, misuse, accident, wear and tear from normal use, exposure to extreme weather; immersion in salt or chlorine water, unauthorized repair or modification, abnormal use, lack of maintenance, or other cause not within Xccent Play!'s control. This warranty does not cover damages due to "Acts of God", such as hail, flooding, lightning, tornadoes, sandstorms, earthquakes, windstorms.

For complete warranty information, please visit xccentplay.com or contact your local authorized Xccent Play! representative

of Lading may impair the customer's right to recover damages from the freight carrier.

STORAGE OF EQUIPMENT: It is the sole responsibility of the customer to provide for storage and protection of the equipment upon receipt. Xccent Play! does not offer a storage option. Fees may occur on any order that is not accepted on or after the estimated ship date.

INSTALLATION AND ASSEMBLY: Unless noted, all equipment is shipped unassembled. Installation charges are additional and are not included in the price of the equipment. Installation instructions are included with each shipment. Xccent Play! assumes no responsibility for the condition of the factory-applied finishes which are damaged or altered during installation or storage. If needed, touch-up painting shall be the responsibility of the installer. No corrections or alterations are to be made to our products without permission. Any back charges must be pre-approved before any product corrections are performed.

PAYMENT TERMS: Orders may require a deposit unless otherwise arranged. Customers shall pay all invoiced amounts within the number of days stated on the invoice. Xccent Play! may charge interest on all late payments at a rate of 1.5% per month. All product warranties will be void if associated invoice is not paid in full.

The following terms and conditions govern any transaction with Xccent Play. Accompanying Xccent Play! quotations, acknowledgments and/or invoices and the following terms and conditions comprise the entire agreement between each party and supersede all written and oral communications. Xccent Play! fulfillment of an order does not constitute acceptance of any additional terms and conditions and does not serve to modify or amend these terms and conditions.

LIMITED WARRANTY TIME PERIODS on all Fusion, Triax, Classix, FusionEC, Go Play, Molecule, Let's Play, Freestanding Play, and Early Childhood playground equipment.

100-YEAR LIMITED WARRANTY: On all steel straight or arched posts, aluminum straight or arched posts, caps, clamps, and stainless steel fasteners and connectors against structural failure due to defects in materials or workmanship.

15-YEAR LIMITED WARRANTY: On all PVC coated main structural platforms, ramps, bridges, & stairs, steel components (rails, rungs, loops, barriers, etc.), rotationally molded plastic components, HDPE sheet plastic components, and plastic border panels against structural failure due to defects in materials or workmanship.

TAXES: Unless noted, Xccent Play! will not include sales, use and excise taxes, and any other similar taxes, duties and charges. Customer shall be responsible for all such charges, costs and taxes except when an appropriate tax exempt certificate has been provided.

CANCELLATIONS AND RETURNS: Any cancellation or return must have proper written acceptance and authorization in advance. All cancellations and returns are subject to a restocking charge plus freight and handling. Applicable delivery insurance will be the responsibility of the party returning the equipment. Custom products and used/damaged parts are not eligible for return.

SPECIFICATIONS: Product specifications are available and correct at the time of publication. Product improvements are ongoing and we reserve the right to update or discontinue specifications without notice.

UNAVOIDABLE DELAYS: Xccent Play! shall not be liable or responsible for any failure or delay when caused by or results from circumstances beyond our reasonable control including, but not limited to, power outages, acts of God, natural disasters, labor disputes, carrier delays, or delay in obtaining supplies / materials.

10-YEAR LIMITED WARRANTY: On all clear sheet plastic, climbing hand holds, and rotationally molded tire & accessible swing seats against structural failure due to defects in materials or workmanship. On all fabric and steel shade systems against failure from significant deterioration – please visit xccentplay.com or contact your local authorized Xccent Play! representative for shade warranty details.

7-YEAR LIMITED WARRANTY: On all Site Amenities against structural failure due to defects in materials or workmanship.

5-YEAR LIMITED WARRANTY: On all climbing cables and climbing cable connections against premature wear due to natural deterioration or manufacturing defects.

3-YEAR LIMITED WARRANTY: On parts such as Sky Rider and bumpers, rocking equipment with mechanical torsion systems, bearings, swing seats and hangers, Tire Swing swivel & shroud, Play Motion® moving play components, springs, Teardrop handles, recycled PVC seats, and trash can tops & liners against structural failure due to defects in materials or workmanship.

2-YEAR LIMITED WARRANTY: On vinyl coated chain, moving components on play panels, bongo cap, Zoom Line cable & brake mechanism, Zoom Line Seat, and other materials not covered above against structural failure due to defects in materials or workmanship.
