Part # 65173 for 5" Top rail

Play Value :

Physical   Sensory   Social/Emotional   Cognitive

Introducing the **totmates SelfieSwing™** - Siblings, cousins, besties and new friends can swing together. Best of all, two children can swing at once while a parent only has to push one swing!

- Part # 65170 for 3 ½" Top rail
- Part # 65178 for 5" Top rail

## Features & Benefits

- Two fully enclosed tot seats comfortably support 2-5 year-olds
- Recessed phone pocket allows for hands-free photos, video or live chat
- Doubles the capacity of a swing bay, allowing more kids to swing!
- Side support bar allows easy entry and discourages users from crossing paths with other swings
- Toddlers will delight in viewing themselves both during and after their swing experience
- Stainless steel chain, swing hangers, and hardware included
- Rotomolded design available in 15 color options and 22 metal accents
- Exclusive patent-pending design
